Let's talk today. I think a repeat of the Thursday meeting is probably what I was thinking. I know that FDEP has that flowchart, but I was wondering if we can get a version of that to put into the presentation. Can you ask Stephanie or Kelly if there's something we can borrow? Otherwise, we'll have to make something ourselves. Not a huge lift, but I'm focused on Item #3 in the agenda right now. That's the Tribe's primary issue for discussion.

Will the permit/dispute resolution process be basically a repeat of the Thursday 1/7 meeting presentation or were you envisioning something more involved?
